

Spring is Coming!

And we all know what Spring brings...

The Ocean View St. Patrick's Day Parade!

When neighbors reconnect after winter, music and laughter fill the streets, and Ocean View shows off its signature mix of charm and playful spirit.

Saturday, March 14th (parade starts at 10 AM)

Join in on the fun!

The Ocean View Alliance (OVA) is partnering with the Ocean View Fishing Pier on a parade float highlighting the pier as one of Ocean View's many treasures.

AS A VOLUNTEER: You can ride on the float or walk alongside it in your St. Patrick's Day green. We even have pot o'gold costumes for a few lucky walkers!

Let your Civic League leaders know ASAP that you want to volunteer and be a part of the action this year!
